

1. K-Love serves me and my family in our community by providing us with 24 hrs a day Christian based music, news, and personal testimonies of other Christians around the world.
2. If K-Love were displaced by an LPFM broadcaster providing other programming, we would lose our wholesome family-oriented programming and the positive and encouraging music, news, etc. in our community.
3. I believe the service K-Love provides is in the public interest because of it's Christian family-based principles not matched by any other secular FM translator service. We need K-love to stay as it's always been. Thank-you.
